

# Tori Amos, Tear In Your Hand

All the world just stopped now  
So you say you don't wanna stay together anymore  
Let me take a deep breath babe  
If you need me  
Me and Neil'll be hangin' out with the dream king  
Neil says hi  
By the way I don't believe you're leaving  
Cause me and Charles Manson like the same ice cream  
I think it's that girl  
And I think there're pieces of me you've never seen  
Maybe she's just pieces of me you've never seen well

All the world is all I am  
The black of the blackest ocean  
And the tear in your hand  
All the world is dangin'...  
Dangling'...Danglin' for me darlin'  
You don't know the power that you have  
With that tear in your hand  
Tear in you hand

Maybe I ain't used to maybes  
Smashing in a cold room  
Cutting my hands up every time I touch you  
Maybe maybe it's time to wave goodbye now  
Time to wave goodbye now  
Caught a ride with the moon  
I know I know you well  
Better than I  
Used to haze all clouded up  
My mind in the daze of why it could've never been So you say and I say  
You know you're full of wish  
And your "baby baby baby babies"  
I tell you there're pieces of me you've never seen  
Maybe she's just pieces of me you've never seen

All the world is all I am  
The black of the blackest ocean  
And the tear in your hand  
All the world is dangin'...  
Dangling'...Danglin' for me darlin'  
You don't know the power that you have  
With that tear in your hand  
Tear in you hand  
With that tear in your hand
