

# Tory Lanez, Why Did I

Why did I bring you outside  
Cash, got the money, playin' fives, southside  
Ooh, I'm sad, shawty, you don't slide  
But I wonder why did I bring you outside  
When it's a lot a n\*\*gas spend some money outside

Yeah, ayy  
You don't bein' taboo 'cause you know all the thots still  
I be high, Aaliyah, 8-2-6, I'm poppin' out still  
So much dough, can't keep it low  
you know if I was not there, yeah  
Told my b\*\*ch I went there just for pasta  
But I drove in black on black McLaren like a mobster  
Oh, pretty bad b\*\*ches on my roster

Down to get it poppin' like it's over ..  
How the f\*\*k you gon' sober with that vodka  
Start this dick up in her like a .. in a locker  
.. the sheets, oh, did it shock you  
Prayin' this b\*\*ch outside, she got me..

Why did I bring you outside  
Cash, got the money, playin' fives, southside  
Ooh, I'm sad, shawty, you don't slide  
But I wonder why did I bring you outside  
When it's a lot a n\*\*gas spend some money outside  
Why did I bring you outside  
Cash, got the money, playin' fives, southside  
Ooh, I'm sad, shawty, you don't slide  
But I wonder why did I bring you outside

I hate it when you wanna go but I know the opps there  
Always wanna pop your s\*\*t when you know that you pop, yeah  
We at the Jamaican stoner, I can't even eat my oxtail  
Girl, we gotta go and s\*\*t, you got on your bogus s\*\*t  
Wanna ride the Rolls 'cause the stars' like a solarship  
How you tryna go viral but you tryna go legit

Next time you wanna open up, you might just hold this s\*\*t  
Bully how I beat her p\*\*sy, leave her with the swollen lips  
Told this lil' b\*\*ch p\*\*sy, Take that call and shot it, hold the grip  
She just wanna ball with a n\*\*ga, .. all and dip  
Talkin' too much, got me thinkin'

Why did I bring you outside  
Cash, got the money, playin' fives, southside  
Ooh, I'm sad, shawty, you don't slide  
But I wonder why did I bring you outside  
When it's a lot a n\*\*gas spend some money outside...
