

# Total, Bring Home The Bacon

(feat. Three Six Mafia)

[Indo G]

now cmon and tear da club up  
toss and floss 100  
even if you dont want it  
but if ya got it flaunt it  
angeldust get the jail break  
what the cuff locked up  
snakes can slither like robbers into a bank  
my idea of a joke is no high school prank  
call me on da phone and see what ya want  
cause my 3 6 Mafia-PRESENTS WORLD DOMINATION

[Keisha]

couldnt alwayz pay ya back  
because I knew you would go by crack  
I cant believe that he dropped me  
but now I know ya got me ohhhh

[hook: Total and 3 6 Mafia]

couldnt bring home the bacon  
prepare for a world domination  
couldnt bring home the bacon  
prepare for world domination

[Kima]

hey baby before we get in the mood  
what kind of work do you do?  
can ya bring home the bacon  
or must I do it?

[Pam]

only U know about what you say boy  
can you bring home the bacon or what  
ohhhhh

[hook]

[Gangsta Boo]

ready to tell you all  
that I like to ball take me to the mall?  
bring home the bacon cause satisfaction is waiting  
anticipation can chill wit cream  
and still play it all mean  
take it to the wrist the ice and the diamonds  
we can do the french kiss once I know what your about  
there can be a miracle when you believe  
because I ride in a B-E-N-T-L-E but Y?
