

# Totem, Merry - Go - Round

Merry-go-round  
Sentenced mankind  
Chasing with the wind  
Owners of thorned wings  
Merry go round  
The absences of light  
Confectionery full of gods  
Bend your knees and give your live  
It's my reward  
The shining light - it pulls me in  
Could I resist - the circle will never break  
War - insane  
Against - yourself  
Wide-awake in darkness  
We conceive the rules we've made  
Wide-awake in silence  
Can you raise your head beyond?  
Face - cursed by the light  
Hands - raised beyond innocent mind  
Race - Agony in time  
This circle will never break  
The shining light - it pulls me in  
Could I resist - the circle will never break
