

# Toto, Can't Get Next To You

(B. Strong, N. Whitfield)

I can turn your gray sky blue  
I could make it rain whenever I wanted to  
I can build a castle from a single grain of sand  
I can make a ship sail on dry land  
But my life is incomplete and I'm so blue  
'Cause I can't get next to you  
Next to you, I just can't get next to you

I can fly like a bird in the sky  
Hey, and I can buy anything that money can buy  
I can turn a river into a raging fire  
I could live forever if I so desired  
Unimportant are all these things I can do  
'Cause I can't get next to you  
No matter what I do

I can turn back the hands of time  
You'd better believe I can  
I can make the seasons change  
Just by a wave of my hand  
I can change anything from old to new  
The thing I want to do the most I'm unable to do  
Unhappy am I with all the powers I possess  
'Cause girl, you're the key to my happiness  
And I, wo, I can't get next to you

(fade):

Girl, you're blowin' my mind 'cause I can't get (next to you)  
Can't you see these tears I'm cryin'? I can't get (next to you)  
Girl, it's you that I need; I gotta get (next to you)
