

Toto, Could You Be Loved

(B. Marley)

Could you be loved and be loved, could you be loved and be loved
Don't let them fool you, or even try to school you, oh! no
We've got a mind of our own, so go to hell if what you're thinking is not right
Love would never leave us alone
I say the darkness there must come out to light

Could you be loved and be loved, could you be loved and be loved

Could you be, could you be, could you be loved
Could you be, could you be loved

Don't let them change you, or even rearrange you, oh! no
We've got a life to live, they say only, only
Only the fittest of the fittest shall survive
Stay alive

Could you be loved and be loved, could you be loved and be loved

You ain't gonna miss your water, until your well runs dry
No matter how you treat him, the man will never be satisfied

Could you be, could you be, could you be loved
Could you be, could you be loved

Say something, say something, say something
Say something, say something, say something

Could you be, could you be, could you be loved
Could you be, could you be loved
