

Toto, Time Is The Enemy

Those days we gave our all
Unaffected
I bravely faced the fall
No reflection

Freak armies of the night
Misdirected
I fought the useless fight
Unprotected

Don't cry for me
Time is the enemy
Soon I'll be free
I surrender

Sweet moon, she marks the year
Unreflected
How sad she has no tears
So neglected

Don't cry for me
Time is the enemy
Soon I'll be free
I surrender
