Toto, Two hearts

You said you would wait for me, but something went wrong The house was empty, your pictures gone I knew you'd come back one day, our love was so strong The past behind us, it's here you belong 'Cause I'm deep inside you, you're deep inside me I always knew that we would always be Two hearts forever, one heart alone, I need to know your love is mine Two hearts forever, one heart alone, I won't let go of you this time You could've talked to me, what changed your mind I could have been there by your side You thought you could walk away, but you know that's a lie This loneliness is hard to hide It's so easy to surrender, and temptation always finds a way You must hold on, you know we must hold on, whoa-oh-oh Two hearts forever, one heart alone, I need to know your love is mine Two hearts forever, one heart alone, I won't let go of you this time Two hearts forever, one heart alone, I need to know your love is mine Two hearts forever, one heart alone, I won't let go of you this time Two hearts forever, one heart alone, I won't let go of you this time Take this heart of mine
