

Tove Lo, Cool Girl

You can run free
I won't hold it against you!
You do your thing, never wanted a future
Fuck if I knew how to put it romantic
Speaking my truth, there's no need to panic

No, let's not put a label on it
Let's keep it fun
We don't put a label on it
So we can run free
I wanna be free like you

I'm, I'm, I'm a cool girl, /2x
Ice cold, I roll my eyes at you, boy
I'm, I'm, I'm a cool girl,
Ice cold, I roll my eyes at you, boy

Rules you don't like, but you're still gonna keep them
Said you want fines for whatever reason
Show we can chill, try and keep it platonic
Now you can't tell if I'm really ironic

No, let's not put a label on it
Let's keep it fun
We don't put a label on it
So we can run free
I wanna be free like you

I'm, I'm, I'm a cool girl /2x
Ice cold, I roll my eyes at you, boy
/4x

I got fever highs
I got boiling blood
I'm that fire gun
We could burn together
