

Tove Lo, Disco Tits

I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go
I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go

no, I don't
I don't have a type
take a hit
come on over tonight
take a hit
you can follow my bloodstream
no, I don't have a type

live right now
peaking on top
so wild now
I'm high as fuck
don't look down
my mind, you can relax
I know how to dial it back
No this time

I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go
I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go

I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go
I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go

no, I don't
I don't have a type
take a hit
come on over tonight
take a hit
you can follow my bloodstream
no, I don't have a type

live right now
peaking on top
so wild now
I'm high as fuck
don't look down
my mind, you can relax

I know how to dial it back
No this time

I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go
I'm sweating from head to toe
I'm wet though all my cloths
I'm fully charged
nipples are hard
ready to go

you think I'm drunk now
But I am not
you're so pretty
come roll with me
I'm about to get down
I'm high as fuck
I'm no chemist
but it's good shit
