

# Tove Lo, Talking Body

Bed, stay in bed  
The feeling of your skin locked in my head  
Smoke, smoke me broke  
I don't care I'm down for what you want

Day drunk into the night, wanna keep you here  
Cause you dry my tears  
Summer lovin' and fights, how it is for us  
And it's all because

Now if we're talking body  
You got a perfect one so put it on me  
Swear it won't take you long  
If you love me right, we fuck for life  
On and on and on

Love, give me love  
Anything you want I'll give it up  
Lips, lips I kiss  
Bite me while I taste you're finger tips

Day drunk into the night, wanna keep you here  
Cause you dry my tears  
Summer lovin' and fights, how it is for us  
And it's all because

Now if we're talking body  
You got a perfect one so put it on me  
Swear it won't take you long  
If you love me right, we fuck for life  
On and on and on

Bodies  
Baby making bodies we just use for fun  
Bodies  
Let's use 'em up 'til every little piece is gone

On and on and on (Let's go)  
On and on (Let's go)  
Now if we're talking body  
You got a perfect one so put it on me  
Swear it won't take you long  
If you love me right, we fuck for life  
On and on and on
