

# Tower, Masquerade

I closed all the doors  
Desiring to be alone  
To hear the calling whisper  
I fell it's coming  
I closed all the doors  
Desiring to be alone  
To hear the calling whisper  
I fell it's coming  
Looking deep into my eyes  
Silent climbers...  
Don't run away from the pain  
can you see a light in the silent sky  
Looking deep into my eyes  
Silent climbers...
