

Tower, The Tempter

Come to me...
and open the doors.
Come to me...
and touch my lips
Come to me...
and sit to close.
Come to me...
And look into my eyes.
Come to me...
and open the doors.
Come to me...
and closed your eyes.
Come to me...
and make love with me.
Come to me...
my sweet dreams.
Lost in the colours of the night.
I seek for sweet Hell, my sweet Hell.
Kissing the lips of a witch.
Im looking straight into her eyes.
