

# Townes Van Zandt, Gone, Gone Blues

by Townes Van Zandt

Well, little darling she ain't mean me no harm  
you know, she loved me all night long  
now she's gone, gone

Well, little darling in a dress so red  
now she's gone, man

I'm stuck in Chicago, Illinois  
let me tell you, boys  
she's gone, gone

I do believe she gone a mobil deal  
I do believe she made a fool of me  
she's gone now

Little darling, won't you stay friend  
I want to do them things again  
Ah, gone, gone

you know, she loved me all night long  
you know, she didn't mean me no wrong  
now she's gone, gone
