## Toy-box, The Sailor Song

So if we all come together, we know what to do We all come together, just to sing we love you And if we all come together, we know what to do We all come together just for you Racing all around the seven seas Chasing all the girls and making robberies 'Causing panic everywhere they go Party-hardy on Titanic Sailing, sailing, jumping off the railing Drinking, drinking 'till the ship is sinking Gambling, stealing, lots of sex-appealing Come, let us sing the sailor-song So if we all come together, we know what to do We all come together, just to sing we love you And if we all come together, we know what to do We all come together just for you Sailorman, you really turn me on Now the guys are gone, come and let us get it on Girls like me are pretty hard to find So if you go, I'll kick your Heine Sailing, sailing, jumping off the railing Drinking, drinking 'till the ship is sinking Gambling, stealing, lots of sex-appealing Come, let us sing the sailor-song So if we all come together, we know what to do We all come together, just to sing we love you And if we all come together, we know what to do We all come together just for you Now, let's fight! Ha, that's not a knife, this is a knife! Sailing, sailing, jumping off the railing Drinking, drinking 'till the ship is sinking Gambling, stealing, lots of sex-appealing Come, let us sing the sailor-song So if we all come together, we know what to do We all come together, just to sing we love you And if we all come together, we know what to do We all come together just for you, Oh yeah! I'm king of the world! woohoo! Wow, this was great! Yeah, baby, you can sail my ship So if we all come together, we know what to do We all come together just for you... Yeah!
