

Toy Dolls, Do You Want To Finish Or What?

If you're down and you're sick,
and you want her out quick,
but you don't know the trick what to do,
she'll be laughing at you,
if you don't have a clue
show that you have grew up and shout...
we are thru and say...

[Chorus:]

DO YOU want to finish OR WHAT?,
I've just about had MY LOT,
I can't take this from you,
I'M FED up now because she said,
I don't know what to do...

You've got to be a man,
kick her out while you can,
get a re-moval van booked for her,
tell her to take her stuff,
it's time now to be tough,
you've had about enough
and don't want to suffer any more,

[Chorus]

A fortnight is long ee
nough for her to agree,
to decide just what she wants to do,
if by then she does not
you've got to start n plot,
just where when to do and what,
how you're gonna get shot of her...

[Chorus]
