

# Toy Dolls, You And A Box Of Handkerchiefs

Oh I never sneeze when you're around,  
and you never think I have a cold,  
but when I'm all alone I I Ityshoo I need,  
you and a box of handkerchiefs...  
My nose never runs when you're around,  
and you never think I have the flu,  
but when I really do I I Ityshoo I need,  
you and a box of handkerchiefs...  
I catch a cold easy  
when I'm feeling sneezy,  
what I really need's a box of handkerchiefs to please me  
It's you I need, you and a box of handkerchiefs...  
Everytime I go out I get the flu,  
I'm okay one minute then I start sneezing again,  
I sneeze here I sneeze there I'm always sneezing everywhere...  
Oh I never sniff when you're around,  
and you never think I'm really ill,  
oh but I tell you still I I Ityshoo I need,  
you and a box of handkerchiefs.
