

TQ, Change

To all my peoples.
I got a little story to tell.
Straight from the ghetto.
Some of y'all are gon' feel it
Some of y'all ain't.
It don't matter.
I'm still gon' tell it.
'Cause I heard a long time ago...
A change was gon' come.
And I know you been waitin'...
They Never Saw Me Coming...
That's the way it is.
So we here to take you
On a joy ride
To the new millenium baby.
Bow down to a new way of life.....
Just wanna say thank you Jesus...
