(Verse Three " Too Short)

It's time to wake up and control my on destiny
I can't let my addiction for her get the best of me
I aint givin' up, and I'll never stop tryin'
Live it up, cause there aint reason to by lyin' to you
You might as well know, it's goin' down
You wastin' time askin' me When Where or How
It's a neutral thing between me and your sister
How you gonna feel when you seein' me kiss her
Ever since she was young, I knew I would get her
Waitin' this long to f**k can only make it better
