Boom, boom, boom I hear you knocking
Everytime you leave I start crying
Kiss me on the left, kiss me on the right
If ya oh oh boy make me happy all night
Boom, boom, boom my hearts going
All I wanna do is stay back with you

Hey, hey get down, coz all your gonna give you get back from me
Hey, hey get down, we had a plan baby, let's get back into bed baby

Monday until Sunday, retake for the fore-play
Let's get back to bed - boy, let's get back to bed - boy
April til November, I will kiss you tender

Now you undertsand how I'm feeling
It's definately love that I'm needing
Boom, boom, boom my hearts beating
We better stay in bed, I know this can't be
We better go to bed baby, well I'll happily oblige

Been gone for a while but now I'm back inside
Drop top niggaz with hot boys on the side
Pull up to the door we drove for you and I
Miss Sarah I wanna wear you like a Gucci sweater
But to get you all alone in a thong, I'd do whatever
Get me off a bottle of dome I'd do it better
Wake up in the morning baby stuck together, you and I

Hey, hey get down, coz all your gonna give you get back from me
Hey, hey get down, no more plan baby, let's get back into bed baby

Monday until Sunday, retake for the fore-play
