

# Trace Aber, Constipated

Uh Huh, life's like this  
Uh Huh, uh Huh  
That's the way it is.

Cuz life's like this  
Uh huh, uh huh  
That's the way it is

Good god  
I ate too much cheese  
Lay back?  
Would you want to switch places with me?  
And if you would, you would see'

I have troubles breathing  
Can't you hear me seething  
I don't want to talk one-on-one  
I've become

Somebody else, don't mess with my belt  
You better watch your back before you get smacked  
Don't try to be cool, I'm not in the mood  
Please tell me

Why does cheese have to go and make you constipated?  
Man, it tastes so good  
Being constipated makes me so frustrated  
Once you get like this you  
fall and you crawl and you puke and cramp until you  
Can't do it no more  
Honestly and promise me  
I'm never going to find you eating cheese  
No no no.

The cheese, looks so pronounced  
Dressed up, around everyone else  
I look, nobody's looking  
Everyone's laughing and stuff  
I strike a pose  
And dive to the cheese  
Oh no, oh god  
You just saw me become

Somebody else, round every piece of cheese  
Licking the plate, still want to date?  
See you acting cool, but I'm not a fool  
Tell me

Why does cheese have to go and make you constipated?  
Man, it tastes so good  
Being constipated makes me so frustrated  
Once you get like this you  
fall and you crawl and you puke and cramp until you  
Can't do it no more  
Honestly and promise me  
I'm never going to find you eating cheese  
No no no.(no no no)  
No no

Chill out?  
What am I yelling for?  
You haven't seen the worst of it yet  
Why must I eat so much cheese

Around everyone else  
I'm licking the plate, still wanna' date?  
See you acting cool, but I'm not a fool  
Tell me!

Why does cheese have to go and make you constipated?  
Man, it tastes so good  
Being constipated makes me so frustrated  
Once you get like this you  
fall and you crawl and you puke and cramp until you  
Can't do it no more  
Honestly and promise me  
I'm never going to find you eating cheese  
No no

Why does cheese have to go and make you constipated? (yeah yea)  
Man, it tastes so good  
Being constipated makes me so frustrated  
Once you get like this you  
fall and you crawl and you puke and cramp until you  
Can't do it no more  
Honestly and promise me  
I'm never going to find you eating cheese  
No no no.
