Trace Adkins, Love Me Like There's No Tomorrow

Hold me like there's no next time Like it's the last time you'll have the chance to Show me how much you want me Like I'm the only thing that matters No one knows when the world's gonna end So let's make love like we never will again 'Cause if the sun never rises, I wanna go down in flames I want the last thing I hear to be you whisperin' my name If every moment together is time that we borrowed Then hold me tight and love me like there's no tomorrow I hope we live forever And that day will never come, but darlin' I know if it ever happens I couldn't imagine not being in your arms There's so much we take for granted in life So love me baby like we're running out of time 'Cause if the sun never rises, I wanna go down in flames I want the last thing I hear to be you whisperin' my name If every moment together is time that we borrowed 'Cause if the sun never rises, I wanna go down in flames I want the last thing I hear to be you whisperin' my name If every moment together is time that we borrowed Hold me tight and love me like there's no tomorrow
