## Trace Adkins, Love, You Ain't Seen The Last Of N

(Kendal Franceschi)

I been losin' my mind One love at a time Getting up just to be knocked down But with all of that pain I come back again And I always go one more round

Women, me and love We just can't get it right I might lose the battle But I love the fight

No love, you ain't seen the last of me I just keep comin' back to see If I can capture the dream Yeah love, you done all you can do to me I don't give up so easily No, you ain't seen the last of me

I got a big, long list Of all the times I've missed When I zeroed in on love And at times it seems Like one heartache begins Where the last one has just left off

And tonight it looks like Another one is aimed in my heart And she's lookin' at me And I'm feelin' that feelin' start

Oh love, you ain't seen the last of me I just keep comin' back to see If I can capture the dream Yeah love, you done all you can do to me I don't give up so easily No, you ain't seen the last of me

And tonight it looks like Another one is aimed in my heart And she's lookin' at me And I'm feelin' that feelin' start

Oh love, you ain't seen the last of me I just keep comin' back to see If I can capture the dream Yeah love, you done all you can do to me I don't give up so easily No, you ain't seen the last of me

Yeah love, you done all you can do to me I don't give up so easily No, you ain't seen the last of me
