

# Trace Adkins, One Of Those Nights

Have you ever had  
One of those days  
When you wake up feelin' good  
So good that you could tae the whole world on  
One of those days  
When you just know  
No matter what  
Nothin' in the world could go wrong  
Well thats the way i feel this mornin'  
But, baby i just gotta say  
I always have one of those days  
[Chorus:]  
After one of those nights  
Just like last night  
Oh my, what a beautiful thing  
Just you and me  
those tangled sheets  
Were wrapped around us  
Baby, thanks to your love  
It was one of those nights that leads  
Tright to one of those days that leads  
Right to one of those nights  
Have you ever had  
One of those smiles  
You just cant wipe away  
The sweet anticipations too strong  
One of those smiles you wear all day  
'Cause you can taste the kis of passion waitin' back home  
Well thats the one im wearing right now  
But baby you always leave  
One of those smiles on me  
[Repeat chorus]  
When everythings perfect  
When you want me  
You touch me  
You move me  
[repeat chorus]  
Right...  
One of those nights that leads  
To one of those days that leads  
Right to one of those nights  
One of those nights  
When everythings perfect  
One of those nights  
Oh, one of those nights  
I need another one of thoe nights baby  
Another one of those nights
