## Trace Adkins, Undo The Right

(Hank Cochran/Willie Nelson)

If you can't say you love me say you hate me And that you regret each time you held me tight If you can't be mine forever then forsake me

If you can't undo the wrong Undo the right

It was right when you loved me only But wrong when you held another tight So before you go away and leave me lonely

If you can't undo the wrong Undo the right

It's too late to say your heart is filled with sorrow You can't undo what's done Why do you try So please so I can face the new tomorrows If you can't undo the wrong Undo the right

It's too late to say your heart is filled with sorrow You can't undo what's done Why do you try So please so I can face the new tomorrows If you can't undo the wrong Undo the right

If you can't undo the wrong Undo the right
