

# Tracie Spencer, I Have A Song To Sing

I have a song to sing  
A song of love  
A song of joy to bring  
My songs of living my dreams  
That have all come true because of you

You know I've sung for years  
Songs of pain through bitter tears  
I was afraid and felt so alone  
Because I had no one to call my own

Now I've found a love in you  
One that's pure and true  
You're that someone I've been waiting for  
And you know it from the start  
We'd always be a part of each other  
Now I pray we stay together

I have a song  
A song of love, a song of joy  
A song for you and me  
You are the song I sing  
I'd like to thank you baby

I have a song to sing  
Coming from the heart  
Of a brand new start  
My songs of living my dreams  
I'm not afraid anymore  
Cause you're what I'm living for

And I've  
Found a friend in you  
One that's pure and true  
You're the one I've been waiting for  
And you  
You knew it from the start  
Now I pray that we always stay together

A song of love  
A song of joy  
A song for you and me  
You are the song  
I sing
