

# Tracie Spencer, It's On Tonight

Fifteen after nine  
Come on girls  
Party time  
What 'cha wanna do  
To my left & my right  
All the kinds that I like  
I just wanna get to know you  
Baby, one night & day in my hideaway  
I'll make it nice if you let me baby  
But if you're not down  
& you change your mind  
I swear I'll make it worth your while  
Say ohh yeah

Baby let's unwind  
If you wanna ride  
It's on tonight  
Till the mornin' light  
Tell me where to go  
I won't say no, no  
It's on tonight  
Till the mornin' light

Tonights' the night  
To take a chance  
& don't ya like the way I dance  
Baby, it's all for you, you, you, you, you  
Players' a dawg  
Touch my thigh  
I make ya hot  
Don't stop till I tell ya to  
One night & day in my hideaway  
I'll be decrete if you ask me baby  
But if you're not down  
& change your mind  
I swear I'll make it worth your while

Baby let's unwind  
If you wanna ride  
It's on tonight  
Till the mornin' light  
Tell me where to go  
I won't say no, no  
It's on tonight  
Till the mornin' light  
(Repeat to end)
