

Track Fighter, Wearing me out

Crossed her fingers slowly
Take them off your mind
Take these pictures
And make them mine..

Chorus:

It's wearing me out
It's all just a dream
You're lying to her
You're lying to me

(x2)

I'm through with talking
And you're through with me
I never cared the way about you..

Chorus

Getting so tired
I'm waiting for the sun to burst
I'm waiting for you
You kept this away
I'm sitting here
Lying here waiting for you, oh!
Take this time again
Until we leave
Until you let me go
