

Tracy Bird, Keeper Of The Stars

It was no accident me finding you
Someone had a hand in it long before we ever knew
Now I just can't believe you're in my life
Heaven's smiling down on me as I look at you tonight

I tip my hat to the keeper of the stars
He sure knew what he was doing when he joined these two hearts
I hold everything when I hold you in my arms
I've got all I'll ever need
Thanks to the keeper of the stars

Soft moonlight on your face, oh, how you shine
It takes my breath away just to look into your eyes

I know I don't deserve a treasure like you
There really are no words to show my gratitude

So, I tip my hat to the keeper of the stars
He sure knew what he was doing when he joined these two hearts
I hold everything when I hold you in my arms
And I've got all I'll ever need
Thanks to the keeper of the stars

It was no accident me finding you
Someone had a hand in it long before we ever knew
