

Tracy Bonham, Jumping Bean

This damn bean won't jump for you anymore
Jumping bean won't jump for you anymore
Keep on moving
This damn pea won't split for you anymore
Damn shine won't spit for you anymore
Keep on moving, keep on moving
I can't be your jumping bean anymore
I can't be your beauty queen anymore
I won't jump for your team anymore
This damn bush won't burn for you anymore
Beer can won't learn for you anymore
Keep on moving
This damn horse won't buck for you anymore
Damn lips won't suck for you anymore
Keep on moving, keep on moving
I can't be your burning bush anymore
I can't be the one you touch anymore
I won't be the perfect rush anymore
I can't be your jumping bean anymore
I won't be your beauty queen anymore
I can't jump for your team anymore
This damn bean won't jump for you anymore
Jumping bean won't jump for you anymore
Keep on moving
This damn horse won't buck for you anymore
Damn lips won't suck for you anymore
Keep on moving, keep on moving
I can't be your jumping bean anymore
I won't be your krispy kreme anymore
I can't jump for your team anymore
I won't wear that navy bean anymore
I can't be your beauty queen anymore
I won't be your hit machine anymore
