

# Tracy Bonham, Navy Bean

A navy bean is bigger than it seems  
Put it on, don't ask what it means  
Parade around  
Cellophane is thicker than it seems  
Put it on, don't ask what it means  
Parade around  
Parade, whoa  
Parade, huh  
Around  
Around  
Shaving cream is thicker than it seems  
Shave 'em off, don't ask what it means  
Parade around  
An angel wing is caught up in the tree  
If you know what's best, get the hell away from me!  
Parade, whoa  
Parade, huh  
Parade, whoa  
Parade, huh  
Around  
Around

Oh, you little navy bean  
Oh, you're caught up in the tree  
Navy bean, navy bean  
Oh, you little navy bean  
Oh, you're caught up in the tree  
Navy bean, navy bean, navy bean, navy bean  
Cellophane is thicker than it seems  
Put it on and don't ask what it means  
Parade, whoa
