

Tracy Bonham, Navy Bean

A navy bean is bigger than it seems
Put it on, don't ask what it means
Parade around
Cellophane is thicker than it seems
Put it on, don't ask what it means
Parade around
Parade, whoa
Parade, huh
Around
Around
Shaving cream is thicker than it seems
Shave 'em off, don't ask what it means
Parade around
An angel wing is caught up in the tree
If you know what's best, get the hell away from me!
Parade, whoa
Parade, huh
Parade, whoa
Parade, huh
Around
Around
Around
Around
Oh, you little navy bean
Oh, you're caught up in the tree
Navy bean, navy bean
Oh, you little navy bean
Oh, you're caught up in the tree
Navy bean, navy bean, navy bean, navy bean
Cellophane is thicker than it seems
Put it on and don't ask what it means
Parade, whoa
Parade, huh
Parade, whoa
Parade, huh
Around
