

# Tracy Bonham, Something Beautiful

Lightweight Too straight no reaction  
I don't care if im not in fashion  
I will follow you  
I will follow you  
Its hearts up heads down puddle of red wine  
You get back up and you face the crime  
I will follow you  
Something in me almost breaks but I wait  
(Im sinking in my skin)  
Yeah, I wait  
(My heart is wearing thin)  
Cuz im looking for something beautiful  
You cut me up and you make me bleed  
A sad stained heart hanging on my sleeve  
I'll still follow you  
I will follow you  
And you say look up look up look all around you  
Can't you see the love that surrounds the very soul of you  
Something in me almost breaks but I wait  
(I'm sinking in my skin)  
Yeah, I wait  
(My heart is wearing thin)  
Cuz I'm looking for something beautiful  
And I wait  
(for it to go right in)  
Don't come all day  
(My heart is wearing thin)  
That I fall upon something beautiful, Something meaningful  
You still your soul, I'll risk it all  
Your fearless beauty breaks your fall  
Something in me knows there's something more  
And its so close I wanna run, but I wait  
(I'm sinking in my skin)  
And I wait  
(My heart is wearing thin)  
Cuz im looking for something beautiful  
And I wait  
(For it to go right in)  
And I wait  
(My heart is wearing thin)  
That I fall upon something beautiful  
Something beautiful, Something meaningful  
Something beautiful, Something beautiful.
