

# Tracy Byrd, Love Lessons

Don't be afraid darling you can tell me  
What it takes to make your world turn  
If you're willing there's time  
And if you're so inclined  
Just give me a sign

I wanna take love lessons baby from you  
Whatever it is you want I want to please you  
I wanna take love lessons baby real slow  
Teach me everything I need to know

Take my hand let's talk about us  
Whisper soft what it is you're thinking of  
I wanna hold you tight  
Won't you show me how tonight  
Let's turn down the lights

I wanna take love lessons baby from you  
Whatever it is you want I want to please you  
I wanna take love lessons baby real slow  
Teach me everything I need to know  
Teach me everything I need to know
