

# Tracy Byrd, Love, You Ain't Seen The Last Of Me

(Kendal Franceschi)

I been losin' my mind  
One love at a time  
Getting up just to be knocked down  
But with all of that pain  
I come back again  
And I always go one more round

Women, me and love  
We just can't get it right  
I might lose the battle  
But I love the fight

No love, you ain't seen the last of me  
I just keep comin' back to see  
If I can capture the dream  
Yeah love, you done all you can do to me  
I don't give up so easily  
No, you ain't seen the last of me

I got a big, long list  
Of all the times I've missed  
When I zeroed in on love  
And at times it seems  
Like one heartache begins  
Where the last one has just left off

And tonight it looks like  
Another one is aimed in my heart  
And she's lookin' at me  
And I'm feelin' that feelin' start

Oh love, you ain't seen the last of me  
I just keep comin' back to see  
If I can capture the dream  
Yeah love, you done all you can do to me  
I don't give up so easily  
No, you ain't seen the last of me

And tonight it looks like  
Another one is aimed in my heart  
And she's lookin' at me  
And I'm feelin' that feelin' start

Oh love, you ain't seen the last of me  
I just keep comin' back to see  
If I can capture the dream  
Yeah love, you done all you can do to me  
I don't give up so easily  
No, you ain't seen the last of me

Yeah love, you done all you can do to me  
I don't give up so easily  
No, you ain't seen the last of me
