Tracy Byrd, The Keeper Of The Stars

(Dickey Lee/Danny Mayo/Karen Staley)

It was no accident me finding you Someone had a hand in it Long before we ever knew Now I just can't believe you're in my life Heaven's smilin' down on me As I look at you tonight

I tip my hat to the keeper of the stars He sure knew what he was doin' When he joined these two hearts I hold everything When I hold you in my arms I've got all I'll ever need Thanks to the keeper of the stars

Soft moonlight on your face oh how you shine

It takes my breath away
Just to look into your eyes
I know I don't deserve a treasure like you
There really are no words
To show my gratitude

So I tip my hat to the keeper of the stars He sure knew what he was doin' When he joined these two hearts I hold everything When I hold you in my arms I've got all I'll ever need Thanks to the keeper of the stars

It was no accident me finding you Someone had a hand in it Long before we ever knew
