

Tracy Chapman, Devotion

If I am right
If I can be
Constant and faithful
You'll find me

In my devotion
In my devotion

What if you find a fault
Between my purpose and my deeds
And deem me beyond salvation
Judge me to be unworthy

Of your devotion
Of your devotion

If this be obsession deliver me
A passing infatuation deliver me
A feeling lacking in purity deliver me
A test of fidelity deliver me
Deliver me
Deliver me

What if I should find
You're no good for me
What if I can't be strong enough
What if I can't break free

Of my devotion
Of my devotion
