

Tracy Chapman, Sing For You

One, two, .. one, two, three, four

Sweet and high at the break of dawn
Simple tune that you can hum along too
I remember there was a time
When I used to sing for you

Do do do, do do do
Do do do, do do do
Do do do, do do do
I used to sing for you

Do do do, do do do
Do do do, do do do do
Do do do, do do do

Knew all the words to the popular songs
With the radio on full volume
I remember there was a time
When I used to sing for you

Do do do, do do do
Do do do, do do do do
Do do do, do do do
I used to sing for you

Do do do, do do do
Do do do, do do do do
Do do do, do do do

Forget the chorus, youre the bridge
The words and music to everyday Ive lived
Theres nothing, I wouldnt give
For one more time, when I can sing for you

Do do do, do do do
Do do do, do do do do
Do do do, do do do

Oh Yeah
Do do do, do do do
Do do do, do do do do
Do do do, do do do

Soft and low when the evening comes
Holding you, sleeping in my arms
I remember there was a time
When I used to sing for you

Do do do, do do do
Do do do, do do do
Do do do, do do do

I used to sing for you

Do do do, do do do
Do do do, do do do do
Do do do, do do do

I used to sing for you
