

# Tracy Chapman, You're The One

Some say youre crazy  
Say that youre no good  
Say your familys cursed with bad blood  
But I think youre cute and misunderstood  
And I wouldnt change you if I could

Letem talk you down  
Call you names  
My minds made up  
It aint gonna change  
Im sure in my heart  
Happy and free  
Youre the one youre the one  
Youre the one for me

Some say youre bitter  
Think youre mean  
Uncouth untamed and unrestrained  
But I think youre sensitive and sweet  
Stay as you are dont change a thing

Letem talk you down  
Call you names  
My minds made up  
It aint gonna change  
Im sure in my heart  
Happy and free  
Youre the one youre the one  
Youre the one for me

Some say youre bawdy  
Wicked and wild  
A restless useless juvenile  
But I think youre funny and I like your smile  
Want to be with you want you to stay awhile

Letem talk you down  
Call you names  
My minds made up  
It aint gonna change  
Im sure in my heart  
Happy and free  
Youre the one youre the one  
Youre the one for me

A no count mixed up  
Amount to nothing  
A day away from a bum on the street  
Some low class kind of royalty  
Thats what they say about you  
When theyre talking to me

Some say youre bad  
A bad bad seed  
You love to play with fire you love gambling  
But I know what you love and I know what you need  
And I like it when you play with me

Letem talk you down  
Call you names  
My minds made up  
It aint gonna change  
Im sure in my heart  
Happy and free

Youre the one youre the one  
Youre the one for me
