

Tracy Lawrence, Kepper Of The Stars

Kepper of The Stars

it was no accident
me finding you,
someone had to hand it in
long before he ever knew,
now i just cant believe
your in my life,
heaven smiling down on me
as i look at you tonite.

chorus:

i tip my hat
to the kepper of the stars,
hes sure knew what he was doing
we he joined these two hearts,
i hold everything
when i hold you in my arms,
i've got all ill ever need,
thanks to the keeper of the stars.
soft moonlight on your face,
oh how you shine
it takes my breath away,
just to look into your eyes
i know i dont deseve
a tresure like you
there really are no words
to show my gratitude.

chorus

so i tip my hat to the keeper of the stars,
he you knew what he was doin
whe he joined theses two hearts
i hold everything
when i hold you in my arms
ive got all ill ever need
thanks to the keeper of the stars.
it weas no accident
me finding you
someone had t hand it in
long before we ever knew.
