## Tracy Lawrence, Somebody Paints The Wall

If my old truck was a horse I'd have to shoot it Lord the day my ship came in I was waiting for a train

Everytime I get a grip, I always lose it I can't find the sunshine for the rain And you know I'm always saying I'm sorry But you stand by me through it all

Seems everytime I make my mark Somebody paints the wall

Everytime I think I'm off and runnin I'm barely up to a crawl Everytime I get a leg up on the ladder of success I slip and fall

Like last week down at the factory I was up for a promotion But the boss says little brother got the call

Seems everytime I make my mark Somebody paints the wall

Everytime I think I'm off and runnin I'm barely up to a crawl

Everytime I get a leg up On the ladder of success, I slip and fall

Like last week down at the factory I was up for a promotion But the boss says little brother got the call

Seems like everytime I make my mark Somebody paints the wall

Seems everytime I make my mark Somebody always paints the wall
