

Tracy Lawrence, What Might Have Been

Sure I think about you now and then
But it's been a long long time
I've got a good life now
I moved on
So when you cross my mind

Chorus:

I try not to think about
What might have been
Cause that was then
And we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been
We can sit and talk about this all night long
And wonder why we didn't last
Yes they might be the best days we will ever know
But we'll have to leave them in the past
So try not to think about

Chorus:

What might have been
Cause that was then
And we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might be

Bridge:

That same old look in your eyes
It's a beautiful night
I'm so tempted to stay
But too much time has gone by
We should just say goodbye
And turn and walk away

Chorus:

And try not to think about
What might have been
Cause that was then
And we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been

No we'll never know

What might have been
