

# Trademark, I'll Be The One

Imagine that your heart would beat for me  
you know that I'm waiting patiently  
till you're by my side  
every day; every night  
baby you're the one I need can't you see  
you know my heart is beating just for you  
baby I don't seem to find the clue  
to be by your side  
every day and every night  
but I feel my heart is aching without you

Maybe I'll be the one  
if you want me here to stay  
Maybe I'll be the one  
to guide you all the way  
No I'm never gonna hurt you  
you're always on my mind  
and I'll be the one until the end of time

Sure there is a way for you and me  
together and forever it will be  
I'll be by your side  
every day and every night  
but I'll feel my heart is aching without you

Maybe I'll be the one  
if you want me here to stay  
Maybe I'll be the one  
to guide you all the way  
No I'm never gonna hurt you  
you're always on my mind  
and I'll be the one until the end of time
