

Trademark, Never Again

Have I told you lately
Baby you're the one I need
Since I met you baby
I'm not the man I used to be
I never thought to regret
All the things I've said
If I could turn back the time
I still believe you could be mine

Never again
I'll be the same
Without you by my side

Never before I knew
Someone just like you
Never again
I'd be the same
If you believe in love
You are the one for me
You're all I ever need
I still believe

Now the times are changing
I miss the days when we were one
Feeling cold and
