

Trading Yesterday, Shattered

Yesterday I died; tomorrow's bleeding
Fall into your sunlight
The future's open wide beyond believing
To know why hope dies
And losing what was found, a world so hollow
Suspended in a compromise
But the silence of this sound is soon to follow
Somehow sundown
And finding answers
Is forgetting all of the questions we call home
Passing the graves of the unknown
As reason clouds my eyes with splendor fading
Illusions of the sunlight
A reflection of a lie will keep me waiting
With love gone for so long
And this day's ending
Is the proof of time killing all the faith I know
Knowing that faith is all I hold
And I've lost who I am, (i'm waiting)
and I can't understand (and fading)
Why my heart is so broken, (and holding)
rejecting your love, (love) without, (onto these tears)
love gone wrong; lifeless words carry on (i am crying)
But I know, all I know's that the end's beginning (i'm dying tonight)
who I am from the start, (i'm waiting)
take me home to my heart (and fading)
Let me go and I will run, (and holding)
I will not be silent, (silent) all this time (onto these tears)
spent in vain; wasted years wasted gain (i am crying)
All is lost but hope remains and this war's not over (i'm dying tonight)
There's a light, there's a sun (i'm waiting...)
taking all these shattered ones
To the place we belong (i am waiting...)
and his love will conquer all
Yesterday I died; tomorrow's bleeding
Fall into your sunlight
