

Trail Of Tears, My Comfort

(K.R. Hagen, Thorsen, Nordhus. Lyrics: Thorsen, Nordhus)

My comfort
Why do you let me fall
when you see I'm about to absorb
the torment
Why do you hide and run away
when I turn to the shades
when I run from the hate
If you could grant me some strength
I could chase the thoughts away

(Chorus:)
Come lift me up
Invincible
Make it stop
Invincible
Don't play me false
Never again
I'll find my long lost salvation

My comfort
Why do you let me down
when you see I'm about to deliver
the poison
Why do you hide
and run away
when I close my eyes
and let my mind astray
If you could grant me some strength
I could suffocate the pain

(Chorus)
Come out from the shadows
to face the day of retaliation
I will consume the poison in your name
and suck you dry

What will it take for me to face
these fearful hours
To face the facts I cannot bear

I'll consume the poison in your name
Torment strikes you all the same
A phase completed
Now let it pass

What will it take for me to face
these fearful hours
What will it take for you to help
me find my long lost salvation
My comfort
My inner self
Peace

(Chorus)
