Train, 50 Ways To Say Goodbye

My heart is paralyzed
My head was over sized
I'll take the highroad like I should!
You said it's meant to be,
that it's not you, it's me
You're leaving now for my own good,
That's cool, but if my friends ask where you are
I'm gonna say:

She went down in airplane
Fried getting suntanned
Fell in a cement mixer full of quick sand
Help me, help me, I'm no good at goodbye
She met a shark on the water
Fell and no one caught her
I returned everything I ever bought her
Help me, help me, I'm all out of lies
And ways to say you died!

My pride still feels the sting You were my everything Someday I'll find a love like yours (a love like yours) She'll think I'm super man Not super mini van how could you leave on Yom Kippur? That's cool, but if my friends ask where you are I'm gonna say:

She was caught in a mudslide
Eaten by a lion
Got run over by a crappy purple Scion
Help me, help me, I'm no good at goodbye
She got lost in the desert
drowned in a hot tub
Danced to death in an east side night club
Help me, help me, I'm all out of lies
And ways to say you died!

I wanna live a thousand lives with you
I wanna be the one you're dying to love
But you don't want to
That's cool, but if my friends ask where you are
I'm gonna say
That's cool, but if my friends ask where you are
I'm gonna say

She went down in airplane Fried getting suntanned Fell in a cement mixer full of quick sand Help me, help me, I'm no good at goodbye She met a shark on the water Fell and no one caught her I returned everything I ever bought her Help me, help me, I'm all out of lies And ways to say goodbye!
