Train, Give Myself To You

When I find out who I am I'm gonna know just what to do When I pull myself together again I'm gonna give myself to you

Is this forever, this feeling I got Not enough and too much - so free and so caught up And something and nothing - both at the same I'm either out of my head or I'm out of my mind

When I find out who I am I'm gonna know just what to do When I pull myself together again I'm gonna give myself to you

Is this forever this feeling that I'm not moving at all But I just can't stop Its like I'm dreaming and I'm wide-awake too Will you remember me? 'cause I wont forget you

When I find out who I am I'm gonna know just what to do

When I pull myself together again I'm gonna give myself to you

I guess I was saving my life for later Maybe I should have been giving myself to you Now I know I got to find out who I am before I do Before I do

When I find out who I am I'm gonna know just what to do When I pull myself together again I'm gonna give myself to you

When I find out who I am I'm gonna know just what to do When I pull myself together again I know I'm gonna give myself to you

I'm gonna give myself to you I'm gonna give myself to you
