

# Train, I Wish You Would

Sleepless nights and endless days  
And all I do is promise to change my ways  
Leave the lights on, you know I'll pretend you're on your way  
You used to say that there's a time we all deserve to lose our minds  
So I lost my mind now I'm ready to find my way

Back home  
Today  
To stay  
The way you wished I would  
And I swear  
To stay  
The way you wished I would

I don't know if I'm gonna have to redesign my mind  
But tonight I made a wish and I so hope that it comes true  
Cause it's been too long without you  
It's been too long

Come home  
Today  
To stay  
The way you wished I would  
And I swear  
To stay  
The way I wish you would

And even if I left it all behind  
There'd be reason to come back  
And even though I left you far behind  
I always thought that you'd come here to find me  
Come find me

I don't know if I can wait this long  
To be what I used to be  
And I don't think I can wait much longer  
For the tide to come back to me  
Come back to me

Back home  
Today  
To stay  
The way I wish you would  
And I swear  
To stay  
The way I wish you would  
The way I wish you would
