

# Trance To The Sun, August Rain (Volume 3)

We have taken a walk  
to my friend's house.  
She's beautiful.

We'll have lots of fun,  
at your expense.

It wont hurt a bit,  
we'll even give you  
money for your trouble.

I know it.

When I'm done, we can bleed you.

It might sting,  
but only a little.  
And if you ever get hungry,  
don't hesitate to steal your food.

I wouldn't want you to starve now,  
that wouldn't be nice.  
I wouldn't want you to starve now,  
that wouldn't be nice.  
I wouldn't want you to starve now,  
that wouldn't be nice.

Take the rabbit and run,  
you got it, now go!

I wouldn't want you to starve now,  
that wouldn't be nice.  
I wouldn't want you to starve now,  
that wouldn't be nice.  
I wouldn't want you to starve now,  
that wouldn't be nice.
